Kingdee International Software Group Company Limited, Shenzhen, China based announced on the third day of Web Summit Qatar 2025 launching of its regional headquarters in Qatar's Free Zones, marking its official entry into the Middle Eastern market.

The announcement was made at a Media jam packed Media Village at Second Web Summit 2025 hosted by Qatar.

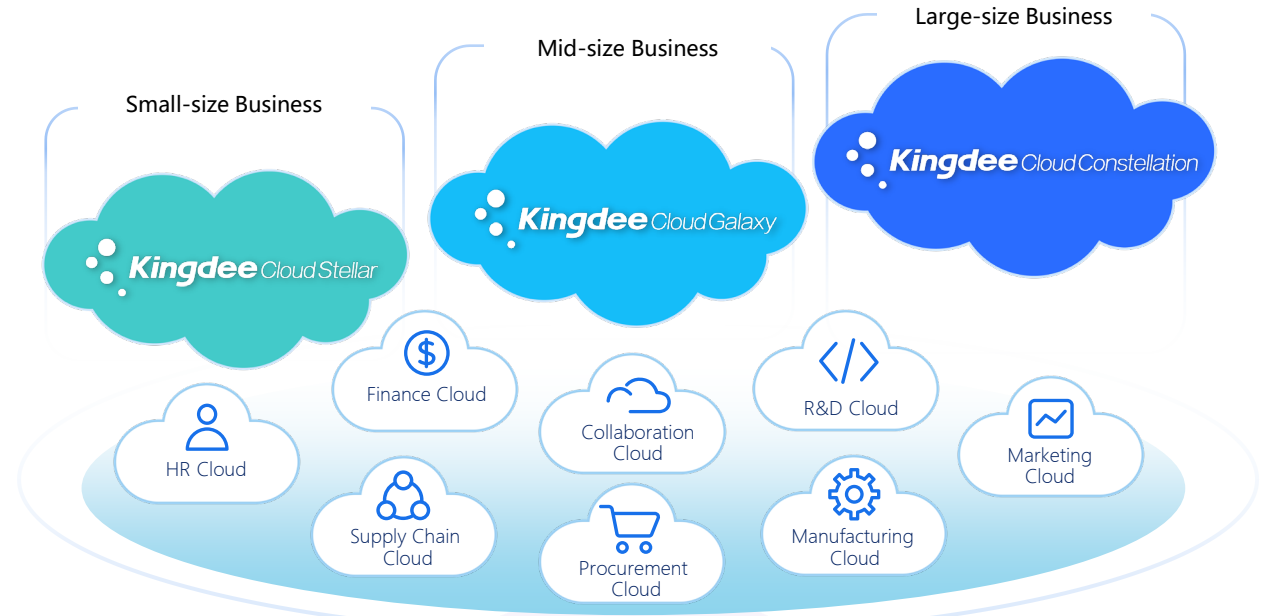

This expansion was made with the support of the Qatar Investment Authority (QIA), Invest Qatar, and the Qatar Free Zones Authority (QFZ).

In December 2023, Kingdee and QIA announced a \$200 million investment deal, recognizing Kingdee as a leader in enterprise cloud transformation in China. This investment aligns with QIA's strategy to support companies and technologies that are central to the global trend of digitalization.
